Meeting Goals:

Introduce teams to each other & to DBN leadership

Introduce DBN research goals and begin collaborative building of the research agenda

[Note: additional meetings will focus specifically on research methods, data collection, data sharing, and collaborative authorship]

What team leaders need to prepare:

- 10-minute presentation on program of research
 - How did this team come together?
 - How does your research program fit within the network?
- 10-minute presentation on their site(s) (based on site survey)
 - Pictures of site(s)
 - Data collection challenges (e.g., feasibility of audio/video recordings, barriers to discussing religion, where we could observe parent-child interactions, ...)
- Preliminary thoughts (for informal discussions) on
 - How/why their site is an interesting place for each research goal
 - Suggestions on how to measure/assess these research goals
 - New research questions (and funding ideas!)
